Charolais friends and fellow cattlemen,

It is once again a pleasure to welcome and personally invite you to our third annual bull sale. As most of us know, mother nature has had her way with us this past year. As frustrating as that has been, it is always a good reminder that the Lord is always in charge. As the weather, markets, and the world change around us, consistency gets harder to come by every day.

We feel that this year's bull offering is as consistent as it's ever been. Each year's bull crop seems to take on a theme and "consistent" seems to fit this group well. In this year's lineup you will find many of the same blood lines that have worked well in the past, as well as, some new genetics that have fit in seamlessly with the goals of our program. These age advantage bulls continue to be in high demand as producers like seeing how the bulls have matured, their durability, and being able to cover more cows with less opens.

Like always, the bulls will be available to view anytime at the farm and will also be on display the day of the sale, but will not be walked through the sale ring. We invite you to join us at 1 p.m. sale day in our heated sale facility or online when we will auction off the bulls. We will also have videos of the bulls available near February 1st at <https://www.superiorlivestock.com> and on our website at <https://www.brobergcharolais.com>. We will always be available to visit with you one on one any time and answer any questions you may have.

Please come early to walk through the bulls and then join us for lunch at 11:30

Sincerely,

Loren and Bev

Brent and Marykae

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy your livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is our online bidding platform where you are able to turn in bids by "clicking" on the internet. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for. You will then be able to bid over a traditional computer or a tablet (but not a smart phone).

Viewing the Auction. The sale will be broadcast live on the internet at www.superiorclicktobid.com and www.superiorlivestock.com – just go to the home page and select the auction. If you wish to turn in bids over the phone the simplest way to watch the auction is from the homepage of www.superiorlivestock.com – you can even watch the auction on your smart phone or tablet from there. Remember, you can call in to bid over the phone when watching on the internet if you have registered for that service, but you must be a member of www.superiorclicktobid.com to "click-to-bid" online.

Bidders who are successful in making purchases will be contacted by the ranch after the sale to settle payment and discover your shipping plans.
IF YOU NEED ANY ASSISTANCE PLEASE CALL SUPERIOR AT (800) 422-2117.

The popularity of Resource throughout the breed continues to be some of the most powerful genetics available today. When breeders first saw CCC WC Resource he was the lead bull in the soon to be named 2015 National Western Stock Show Grand Champion Pen-of-Three Bulls in Denver. Shortly after that a one-half interest in him sold for \$44,000 in the Wright & Cody Cattle Bull Sale with Broberg Charolais acquiring the walking possession of him! This possession has been everything the Broberg's dreamed of! He has not only sired a great set of sons and daughters at Broberg Charolais, but as of December 24, 2019 other breeders throughout the country have registered 951 progeny! His sons and daughters have won shows and topped sales at every level. A 1/4 semen interest only recently sold for \$15,000 pushing his valuation even higher.

15 of his sons highlight this offering. A few of his first-calf-heifer daughters appear in this catalog as the dam's of Lots 12 & 13!

The sons of WC Paramount 4120 have always been popular with the bull buyers here at Broberg Charolais and with good reason. They are dependable calving ease and continue on to perform. The Broberg's were in the right place at the right time during the 2015 Wright Charolais Bull Sale to bring him home when one half interest and one-half possession sold to them for \$31,000. A one-half interest in his full sister sold for \$25,000! WC Paramount's sire LT Ledger was the highest selling bull of the breed in 2011 when a 2/3 interest sold for \$105,000 and LT Ledger today is still the breed's most widely used AI sire! Paramount's dam JWK Clarice J139 is definitely one of the breed premier donor dams. She has 183 registered progeny at AICA and many more granddaughters and sons.

21 of his sons sell in this sale.

Only 5 of his sons sell, but get ready to see some really great herd sire prospects! LT Landmark 5052 is one of the most highly proven calving-ease sires of the breed. He has been bred to hundreds of commercial heifers with outstanding results. Calving-ease and also great performance. Landmark's dam has raised five progeny with an average weaning weight ratio of 110. Many of his sons have been sold into herds for yearling heifer breeding.

Each year the Broberg's use a couple of "out of herd" calving-ease AI sires and LT Landmark 5052 and RBM Fargo Y111, both proven herd sires in the Lindskov-Thiel herd in South Dakota were selected to use. Both have produced outstanding results as "outcross" genetics to the Broberg herd and with great calving-ease results. Only 4 of Fargo sons will sell and you will be impressed with them. His EPD profile produces top 1% of the breed numbers for performance and carcass traits.

Solution is the "grandpa" of the herd sires at Broberg Charolais and this will be his last sons to sell, but his influence will live on in this herd for many, many years to come. As you look through this catalog you can count 13 of his daughters that have produced sons in the sale! The Solution cows are stout, great milking females that get the job done and will carry his genetic power into this program for years to come. 6 of his sons sell.
